

# RULES FOR 2010 WISCONSIN HOLSTEIN SHOWS

## ANIMAL HEALTH RULES AND REGULATIONS/DAIRY CATTLE

**ALL CATTLE** - Health requirements for the Wisconsin District and Championship Shows are the same as the Wisconsin Department of Agriculture's requirements for intrastate movement of cattle.

Please visit the DATCP website for the most recent rules - [www.datcp.state.wi.us/ah/agriculture/animals/movement/pdf/2010FairRulesWisconsin.pdf](http://www.datcp.state.wi.us/ah/agriculture/animals/movement/pdf/2010FairRulesWisconsin.pdf)

It is **highly recommended** that all animals shown at the District and Championship Show be vaccinated for BVD according to your Veterinarian's recommendations. It is also **highly recommended** that animals be tested for Persistently Infected (PI) BVD animals. This is a once in a lifetime test to insure that the animal is not a PI or shedder animal carrying the BVD Virus.

Cattle infected with ringworm, warts, or mange may not be exhibited unless the veterinarian in charge determines the ringworm lesions or warts are inactive and incapable of transmitting the disease. Any cattle found with ringworm, warts, mange or scab shall be removed from the premises of the show.

Show management is responsible for maintaining records of persons who have exhibited at the show and the identification of animals shown for 2 years. Acceptable forms of animal identification for breeding animals are (1) an official metal ear tag, (2) a breed registration number, or (3) a breed registration tattoo.

**Ribbons and Trophies:** Ribbons for the District Shows are available from the Wisconsin Holstein office. Trophies are optional for District Shows and the responsibility of each District Show host. The Championship Show ribbons will be provided by the Wisconsin Holstein Association and the Wisconsin Junior Activities Committee.

**Junior Ownership:** Junior exhibitors shall be in competition with Open Class Cattle. To compete for junior awards the exhibitor shall not have passed his or her 21st birthday before January 1 of the year of the show.

**Junior leased animals must follow Holstein USA rules to be eligible for junior awards. TO COMPETE FOR JUNIOR RIBBONS AND TROPHIES, ALL JUNIOR EXHIBITORS MUST HAVE THE ANIMAL'S OWNERSHIP REGISTERED OR TRANSFERRED BY THE HOLSTEIN ASSOCIATION INTO THE INDIVIDUAL NAME OF THE JUNIOR EXHIBITOR ON OR BEFORE JUNE 1st FOR CALVES & HEIFERS & JANUARY 1st FOR MILKING AGE ANIMALS. NO TRANSFER APPLICATIONS WILL BE ACCEPTED AT THE SHOWS.**

a. Partnerships between two juniors are allowed if both members are current WI Holstein Association Junior members. No other partnership qualifies for Junior Recognition.

b. **Junior exhibitors must be sole leadperson** for their animals in order to receive recognition. If a junior has more than one junior owned animal in one individual class, the junior exhibitor must designate which of the animals will be led by the exhibitor. The animal led by the junior exhibitor will be the animal eligible for Junior Recognition.

c. Managerial projects may be exhibited in Open Class competition. However, they are not eligible for Junior awards.

d. To be considered for Junior Awards, exhibitors must identify themselves as a qualified junior member on the entry form and upon check-in to show management.

e. It is the responsibility of the Junior owner to prove ownership of animal by hard copy (on the registration paper).

**Bred and Owned:** This award is to be given at the Wisconsin Championship Show and is optional at the District Shows. An award will be given in all the female classes for the highest placing animal bred and owned by exhibitor; partnership animals are eligible for Bred & Owned award as long as original breeder(s) and owner(s) maintains part ownership. Breeder is to be determined as the owner of the dam at the time of the service; where a herd is registered in the names of different members of a family residing on one farm, and everyone is using the same prefix, all entries may be considered as Bred and Owned by Exhibitor.

**Junior Bred and Owned:** To be eligible for Junior Bred & Owned, the name(s) listed as breeder and owner on the registration certificate must be the same. Adult-Junior partnerships are not acceptable. Family unit or farm partnerships **will not qualify for Junior Bred & Owned awards** unless all partners are Junior members and listed on the certificate under breeder and owner.

**Production Awards:** This award is optional at the District Show. In all cow classes, except the Jr. & Sr. 2 Year Olds, the cow with the highest **305 day milk production** will be recognized. The recognition will be based solely on total pounds of milk production without regard to the milking frequency or the testing program. Records should be entered on the entry form and verified at the time of check-in with an official test sheet or an official pedigree.

**Best Udder:** This award is optional at the District Show. At the State Championship Show a Best Udder ribbon will be awarded in all milking cow classes. The Best Udder cow in each of the milking classes will compete to select the Best Udder Cow of the Show.

**Dry Cow Classes:** THERE WILL BE NO DRY COW CLASSES AT THE WISCONSIN CHAMPIONSHIP SHOW - OPTIONAL AT DISTRICT SHOWS. Any cow that was last fresh 280 days or more, prior to the date of the show, may be shown at the option of the exhibitor in either the Dry or Milking Cow Class. A cow milked less than 280 days must show in the Milking Class, unless she is recorded as dry on the DHI sheet. The DHI sheet must accompany animals to be shown in the Dry Cow Classes.

**Premier Breeder Award:** The breeder winning the most points on four (4) animals, all exhibited in the single classes, shall be designated Premier Breeder. Premier Breeder form is to be filled out at time of check-in to be eligible for this award. No entry fee is required. The winner of this award need not be an exhibitor at the Show, or need not be the current owner of any of the point winning animals. In case of a tie, additional animals will be counted, one at a time, until the tie is broken.

**Breeder Defined:** The owner of the dam at the time of service shall be considered the breeder of the animals. Where a herd is registered in the names of different members of a family residing on one farm and where the herd is one unit, and everyone is using the same prefix, all entries may be considered as exhibits of one breeder.

**Premier Exhibitor Award:** The exhibitor winning the most points on four (4) animals, all owned and exhibited by exhibitor in the open, single classes, shall be designated the Premier Exhibitor. Premier Exhibitor form is to be filled out at time of check-in to be eligible for this award. No entry fee is required. In case of a tie, additional animals will be counted, one at a time, until the tie is broken.

**Exhibitor Defined:** Exhibitor shall be named as the owner shown on the registration paper. In case a herd is registered or bred in the names of different members of a family, residing on one farm or breeding establishment, and where the herd is one unit, all entries may be considered as a single exhibitor for all group classes.

Premier Breeder and Exhibitor points will be awarded to the top 10 animals in each class. In classes with 10 or less animals, no more than two head per breeder or exhibitor will be counted toward premier points. If the class has more than 10 animals, then a single breeder or exhibitor may obtain points on more than two animals if the

animals stand in the top 10 placings of the class.

**The point system for determining Premier Breeder and Premier Exhibitor Awards:**

Placing	JR Females Points	Milking Female Points
1	10	20
2	9	18
3	8	16
4	7	14
5	6	12
6	5	10
