Mission Statement

The Wisconsin Junior Holstein Association is a not-for-profit organization that strives to increase knowledge and provide opportunities to youth by involvement through the Registered Holstein project. The Association strives to positively influence young people by recognizing and congratulating their achievements and accomplishments in the dairy industry.

Membership Dues

To be a Junior Holstein Association member in good standing, each member must pay state dues. With payment of dues, he/she is allowed to participate in district and state events such as those listed in this handbook. The basic Junior fee is \$20 without the *Wisconsin Holstein News*, and for \$50 you can receive your membership and the *Wisconsin Holstein News* that is published 8 times annually. If memberships are not renewed by June 1 each year, a \$50 late fee will be assessed prior to participation in summer shows and events.

Wisconsin Holstein Junior Membership Agreement

The purpose of this organization is to encourage youth to promote the Registered Holstein industry. The Wisconsin Junior Holstein Association is open to membership for those persons under the age of 21 as of January 1st of the membership year. To be eligible for membership, all applicants must sign this agreement and agree to abide by the rules hereinafter set forth. Failure to honor any of these rules may subject the junior member to immediate revocation of membership status, including the opportunity of participation in WI Holstein Association sanctioned activities and events. *For those members that turn 21 during their last year of junior membership, they may continue to receive junior recognition at Wisconsin Holstein Association shows through the duration of the WI Championship Show if their 21st birthday occurs before said show.*

The following rules shall apply to all junior members:

1. Use or possession of any alcoholic beverage, whether or not in connection with an Association event, is strictly prohibited for anyone under the age of 21. Controlled substances are strictly prohibited to anyone.
2. No member shall engage in any behavior prohibited by state statute, local ordinance or Board Policy (which shall include, but is not limited to vandalism, theft, truancy, assault, threats to personal safety or property and flagrant misconduct).
3. Members, at all times, shall demonstrate good citizenship and recognize the value of setting and adhering to the highest standards of conduct and performance.
4. At all Association sponsored functions, activities and trips, the rules of conduct specified by adult chaperones and advisors shall be observed at all times observed by members.
5. All members shall recognize the right of the Wisconsin Holstein Association's Junior Activities Committee, the Board of Directors of the Wisconsin Holstein Association and its staff, adult advisors and chaperones to have the authority to enforce the rules as established and authorized herein. Members and/or their parents/guardian shall accept any financial responsibility for the enforcement of the provisions herein.
6. For the purposes of the observance of the rules of membership herein, there is an established Board which shall consist of the WHA Staff, WHA Board of Directors and the WHA Junior Activities Committee. The purpose of this Board shall be to oversee the fair application of the rules of membership and afford the right of due process. A member of this Board must be contacted while the violation is occurring. If they cannot be reached, concrete proof must be provided against the accused. Pictures help but are not concrete proof of violation. If applicable, the accuser must be willing to provide information in support of a claim that a member has violated this policy.

Due process shall be afforded by:

Explaining the evidence against the member, giving the member an opportunity to explain his/her version of the facts, thereafter, it is a matter of discretion by the Board whether to have the accuser/observer summoned and whether to permit cross examination of said individuals. The following procedure is in place if it is determined that a member has violated the alcohol and controlled substance policy:

1. 1st warning, written and verbal, with privileges taken away. The severity of the privileges revoked will be decided by the Board mentioned above.
2. 2nd offense will be looked at by the WHA Board with membership revocation. *(Junior membership reinstatement may be requested after revocation of membership by meeting with the WHA Board of Directors)*

A signed copy of this agreement by each junior member will be filed at the WHA office.

Junior Events & Activities

Cow Camp

Cow Camp is a fun and educational activity that is geared toward junior members that are age 9-13. It involves an overnight camping experience that includes fun adventures and informative workshops that are related to the dairy industry and is a perfect chance to meet juniors from different counties to create lasting friendships! It is chaperoned by the eight JAC members, Holstein Royalty and WHA office staff. Usually held in May, the location of Cow Camp varies depending on the year. The JACs try to change the location so that more juniors can attend from different areas. Information regarding location and registration can be found in the *Wisconsin Holstein News* and on the web at www.wisholsteins.com.

Clinics

The Junior Activities Committee members are available to attend county fitting and showing clinics at the request of counties. Please contact the office one month in advance to see if a JAC member can attend your event.

The committee may also host other clinics on a variety of topics during the year. Past clinics include “Ready, Set, Show!” (fitting, washing, showmanship) and “Ready, Set, Judge!” (judging and giving reasons). Information on scheduled clinics can be found on the WHA website.

District Showmanship Contests

The Wisconsin Holstein JACs will be in contact with all nine district shows to set up a showmanship contest at the show. There will be three age divisions: 12 & Under, Junior (13-16), and Senior (17-20), with age as of January 1, 2022. The JACs will work with district show chairs to set a time that will work at each show, and the JACs will locate a judge for each district showmanship contest. The JAC or a WHA Staff member will be on hand one hour before the scheduled contest time to take registration and check junior membership. All participants must be paid WHA members.

The top three individuals in each age division will be recognized and have the opportunity to participate in the state contest. The 2022 State Showmanship Contest will be held at the Wisconsin Summer Championship Shows following the completion of the Jersey and Red & White breed shows. The location will be the Alliant Energy Center in Madison, Wis.

Wisconsin Championship Show

The Championship Show is scheduled for Friday, August 26, and will be held at the New Holland Pavilions at the Alliant Energy Center in Madison, Wis. First and second place juniors in each class are recognized with Junior All-Wisconsin and Reserve Junior All-Wisconsin honors.

Junior Holstein Convention Contests & Activities

Caucus & Junior Activities Committee (JAC) Elections

The Junior Caucus meetings encourage brainstorming at Junior Convention to discuss upcoming events and any changes that would be beneficial to the Junior Association. This is where any junior member can bring their ideas and thoughts to be heard by the JACs from their district. At each caucus, two JAC nominees are selected to represent the district at the annual junior meeting held the last morning of Junior Convention. Each district has two JAC representatives on the committee; one serving his/her first-year term and one serving his/her second-year term. One new JAC representative for each district is elected each year.

Junior Activities Committee

The purpose of the Junior Activities Committee is to represent junior members and advisors from various areas of Wisconsin. The committee members are given the opportunity and encouraged to contribute ideas for improvement of junior programs. These suggestions are presented before the entire Junior Activities Committee and voted upon. To be elected one must be a junior member in good standing with the Junior Association. The term is two years long and consists of four members serving their second term and four members serving their first term.

The Chairperson, Vice Chair, Ticketmaster/Raffle chair, and Secretary are elected from the four members serving their second term. These positions are elected by the previous JAC and the four newly elected JAC members. Juniors that wish to run for the JAC need to be nominated at their district caucus held at the Junior Convention. Juniors elected to be on the Junior Activities Committee can turn 21 in their second year on the committee, but are expected to sign a separate conduct agreement.

The JAC election procedure is as follows:

1. At each district caucus, nominations are taken and juniors must be nominated by a member of that district. A nomination speech is not required.
2. Each county votes for two candidates in each caucus, by weighted ballots.
3. The nominee is given up to ninety seconds to speak. Only two candidates from each district will be allowed to proceed on to the Annual Business Meeting election. A ballot vote will be taken if more than two candidates are nominated. Votes are done by county, not individually. A ballot is established by the number of members in a county divided by 5. The divided total equals the amount of votes a county has.
4. At the business meeting, the candidate is again allowed 90 seconds to speak on their own behalf. Each candidate will be introduced by the JAC Chair conducting the Business Meeting.
5. The candidate is then asked three impromptu questions by second year JACs.
6. A ballot vote of the delegation is taken. Votes are weighted based on membership per county. The nominee receiving the most votes in each district will be a new member of the JAC Committee.

The Junior Activities Committee has the following responsibilities:

- a. To promote, develop and coordinate educational programs for junior members.
- b. To promote fellowship and enthusiasm among junior members.
- c. Develop junior members' leadership skills.
- d. Communicate programs and new ideas to junior members.
- e. Recognize junior members' accomplishments.
- f. Give insight and direction to the Board of Directors on junior activities.

Junior Activities Committee

The Chair of the JAC is the designated leader of the group, responsible for conducting each meeting and coordinating events within the team. The chair serves as a liaison between the JACs and office staff. The elected chairperson of the JAC should have good organizational and leadership skills and be the driving force that ensures the success of the committee.

Roles & Duties - Vice Chairperson

The Vice Chair of the JAC will execute the responsibilities of the Chair when the Chair is unavailable. In addition, the Vice Chair should work with the Chair to ensure the success of the committee by making sure deadlines are met and projects/events executed to the fullest of the committee's abilities.

Roles & Duties - Secretary

The Secretary of the JAC will record all minutes of the JAC meetings. They should plan to submit completed minutes to the entire committee and advisors no later than two weeks following the meeting. The Secretary will oversee all correspondence of the committee and document annual activities.

Junior Holstein Association Calf Raffle

The Junior Association organizes a calf raffle each year to raise funds that help cover junior related expenses throughout the year. The raffle includes various prizes, many that are donated by friends of the Holstein Association. All Junior Association members are asked to sell tickets. The winners of the raffle are selected during the Annual Meeting at the Junior Convention. The raffle gives back to county groups - for every ticket sold by a county, \$1.00 will be given back to that county. Tickets can be purchased from junior members and advisors across the state at \$2.00/each, 3 for \$5.00, or 6 for \$10.

JAC Work Auction

The Junior Activities Committee members are 'auctioned off' every-other-year at the WHA Adult Convention. Buyers receive up to eight hours of volunteer time from a JAC, and proceeds from the auction benefit the Junior Holstein Association and its activities.
