

WISCONSIN HOLSTEIN ASSOCIATION HOLSTEIN HORIZON AWARD

The Wisconsin Holstein Association recognizes that we have a growing demographic of our membership that is actively breeding and developing Registered Holsteins while not being part of a traditional dairy farm.

*The **Holstein Horizon Award** is intended to recognize Wisconsin Holstein Association members who own, breed and market Registered Holsteins but do not market milk on a daily basis. Nominees must be WHA members in good standing, exemplify professionalism in the highest regard, and actively participate in WHA functions and activities to promote the Holstein breed.*
