Remit to: WHA, 902 8th Ave, Baraboo, WI 53913

Wisconsin Holstein Membership Opportunities

In a time when every dollar counts, Registered Holsteins offer added value to any dairy herd. The Wisconsin Holstein Association offers many benefits and opportunities to market genetics throughout the state, the Midwest and the nation.

Wisconsin Holstein offers many opportunities for breeders to showcase their herds. Each year, nine district shows and a state championship show are held in June and July. WHA is also host to a national-level show, the Midwest National Spring Holstein Show, held each April. These two shows make up the Wisconsin Dairy Show Series.

The *Wisconsin Holstein News* provides another opportunity for breeders to market their herds. For more details on this publication, contact Director of Communications, Mara Budde, at 608-356-2114 or marab@wisholsteins.com.

Member Events

Each year the state association holds numerous events for its members, including an adult convention, sales, barn meetings, a state picnic, and a Young Adult Committee outing. Individual counties also host events such as daylight and twilight meetings and picnics. WHA strives to provide its members with the chance to meet fellow Holstein breeders and learn from other producers.

Registration Discounts

Yes, that's right! Any WHA member that wants to register animals through the Holstein Association USA will benefit from discounts by being a state Holstein member. Cut registration costs by becoming a member of both organizations. WHA members, who are also members of Holstein Association USA, save on average 55 percent on registrations.

Become Involved

Members can be directly involved in the association through committee participation or by running for a position on the Board of Directors. Committees meet one to two times each year and are essential for the direction of WHA. The Board of Directors is the decision-making group for WHA. Directors serve a 3-year term and can serve two, consecutive 3-year terms.

Committees: Member Programming, Futurity, Shows, Young Adult, Scholarship

Wisconsin Holstein News

The *Wisconsin Holstein News* is published 8 times per year and distributed to 1,800 members and subscribers each month. The *News* is one of the nation's premier state association magazines and offers our members an advertising venue that reaches Registered Holstein breeders in Wisconsin. The *Wisconsin Holstein News* also has a great joint venture with Illinois, Iowa, Minnesota, Michigan and Ohio associations to publish three "Midwest Holsteins" issues each year, with breeder advertising reaching over 5,000 readers throughout the Midwest. For information on upcoming issues and advertising deadlines, contact Mara Budde.

The Wisconsin Holstein Association was founded in 1890 for the purpose of improving, promoting and securing the best interests possible for breeders and owners of the Holstein cow. WHA continues to provide a membership organization with the purpose of promoting the Wisconsin Holstein Registered breed and its breeders and owners. The Wisconsin Holstein Association is comprised of more than 3,000 adult and junior members.

For more information on the Wisconsin Holstein Association and its membership, visit the WHA website or call the Wisconsin Holstein office.
