Contest Rules:

1. Production records completed from January 1 to December 31, 2025. **Limit of 5 applications per age division and postmarked by MONDAY, JANUARY 5, 2026.**
2. All production records should be 305 days or less.
3. First lactation cows must be classified at least GP; second lactation and above must be scored VG or higher.
4. Classification must be from the lactation being submitted for award. You may also submit a pedigree for classification verification if needed. For permanently scored cows, the permanent score will be used.
5. Cows must be housed in Wisconsin for the entire lactation to receive recognition.
6. Cows must be 87% RHA or above.
7. Owner at time of application must be a Wisconsin Holstein Association member.
8. All records will be entered on a TRUE PROTEIN BASIS.
9. *2 & 3 year olds use 20 for the multiplier; all older animals use 25 as the multiplier to obtain ranking points (based on age at calving).

Materials to be submitted with the application form for eligibility:

1. A copy of the official test sheet or pedigree for the lactation being considered.
2. A copy of the registration paper as proof of registration and ownership.
3. A copy of the official BAA print out of traits provided after classification on farm or received in mail.

Send entries to: WI Holstein Association, 902 8th Ave., Baraboo, WI 53913
